

2025 Rules Bulletin-01
11 May 2025

The Supplementary Regulations for the 2025 KartStars Canada series have been updated, dated May 6, 2025, to be supplemental to the 2025 ASN Canadian Karting Regulations.

For Round 1 of the 2025 KartStars Canada series, the 2025 KartSport Canada Sporting and Technical regulations will still be in force. If there are any discrepancies between the ASN and KartSport regulations at the event, the officials, under the direction of the Race Director/Steward, may enforce the KartSport Canada regulation.
